Dear Parents/ Carers

As you know over the past two days the school has been inspected by Ofsted. I would like to thank those of you who contributed to Parent View during the Inspection. I know that Inspectors found your feedback very useful.

In approximately two weeks' time the Inspection Report will be published and I will share this with you immediately once it is released. Unfortunately, until that time I am not in a position to do so, as all feedback remains confidential and subject to moderation by Ofsted prior to publication and therefore must not be shared.

I know that you will understand that staff are not at liberty to share information about the Inspection until publication of the Report. Please do not approach staff for related information so as not to compromise requests for confidentiality.

I will write to you as soon as the Report is available.

Best wishes
