

24th March 2020

Dear Families,

I hope all you are managing to keep well during this challenging and uncertain time. I would like to take this opportunity to remind parents of the support available, particularly for those children **eligible for free school meals**.

If your child receives free school meals, we are offering a 'grab bag' service whereby lunch can be collected from the school gate at 1pm each day.

I have also been informed that Salford Local Authority are working with Salford schools for a better approach to free school meals whilst pupils are not able to attend school. A voucher system is being implemented and Aldi vouchers to the value of £10 per child will be sent to eligible families. You do not need to take any action, we will post these to you. We anticipate receiving these Friday or Monday and they will be posted immediately. You should receive these next week.

If you are not current in receipt of free school meals but believe you may be eligible, you can apply to Salford Local Authority online <https://www.salford.gov.uk/schools-and-learning/free-school-meals/>

We hope your child is able to complete the work sent out. If you are having any log in issues, or have no internet access and need to request a physical pack, please contact the relevant Head of Learning:
